Software & Internet Technology

PRACTICE AREA OVERVIEW

Mr. Farmer's practice focuses on the preparation and prosecution of patent applications.

TECHNICAL EXPERTISE

Mr. Farmer previously worked as a software engineer specializing in database development, GUIs, and technology related to business logic systems.

PRIOR PROFESSIONAL EXPERIENCE

Prior to joining the firm in 2017, Mr. Farmer practiced civil litigation in Oregon, handling all aspects from strategy to trial. He also guided his clients to favorable outcomes through numerous mediations. Mr. Farmer spent a brief time as an extern examiner at the USPTO and worked as a patent analyst, researching prior art, patent enforceability and working with engineers on invention documentation and disclosure.
