

TODD P. FLEISCHMANN

IT DIRECTOR

503.595.5300 | todd.fleischmann@klarquist.com

OVERVIEW

As an IT director, Todd is responsible for overseeing the organization's entire IT infrastructure and strategy. This includes managing the IT team, implementing and maintaining technology solutions, and ensuring the security and functionality of the company's IT systems. Todd plays a key role in aligning IT initiatives with overall business goals and objectives.

Prior to joining the firm, Todd worked at Stoel Rives LLP as the Manager of Desktop Engineering.

Todd joined the firm as the Director of Information Technology in 2017.
