Jeffrey B. Haendler

Jeff's practice includes preparing and prosecuting U.S., foreign, and international patent applications and trademark applications. His practice also includes licensing and patentability, patent infringement, and validity analysis.

Jeff has experience with a wide range of technologies, including medical devices, robotics, semiconductor processing and testing, optics, consumer products, electronics, mechanical devices, construction materials, and micro-electro-mechanical systems (MEMS).

Jeff joined Klarquist in 1999 as an associate and became partner in 2008.
