## OVERVIEW

Salumeh litigates intellectual property matters in federal courts around the country, representing a variety of clients, including Fortune 500 companies and local start-ups. She has extensive experience managing complex litigations, including overseeing large trial teams and multi-million-document discovery. Salumeh also represents clients in trademark and copyright infringement suits in federal courts and in trademark opposition and cancellation proceedings before the Trademark Trial and Appeal Board.

Salumeh leads Klarquist's e-discovery team, providing efficient and effective e-discovery services for clients and non-Klarquist trial counsel involved in complex litigations. Klarquist's e-discovery team couples its decades-long complex litigation and e-discovery experiences with technology that streamlines the discovery process and provides robust searching and review tools and capabilities. This coupling of technology and litigation experience allows Klarquist to keep costs low and reduce e-discovery burdens, while providing state of the art access and analysis of discovery documents.

Salumeh joined Klarquist as a lateral associate in 2008.
