

# CHUONG VU

ASSOCIATE

503.473.0946 | chuong.vu@klarquist.com

## OVERVIEW

Chuong focuses on domestic and foreign patent prosecution with a core focus on software and firmware engineering technologies. His expertise includes drafting utility and design patents in a variety of technologies including software and mobile applications, blockchain, machine learning, entertainment systems, e-commerce, consumer goods, mechanical devices, medical devices, and more. In addition to his advanced degree in computer science, Chuong has fifteen years of experience as a software/firmware engineer for startups as well as larger technology companies, where he worked on computer systems, telecommunications, data communications, and hardware and semiconductor drivers. Chuong's prior experience working as in-house counsel help him to anticipate his clients' needs and work seamlessly with in-house counsel teams.

Chuong joined Klarquist in 2021.

## PROFESSIONAL EXPERIENCE

### ► One LLP | Associate Attorney, 2018 - 2021 | Newport Beach, CA

Drafted and prosecuted utility and design patent applications. Drafted trademark applications and assisted clients in managing domestic and international IP portfolios.

### ► Consulting Patent Attorney, 2012-2018

Worked with law firms and outside counsels to draft and prosecute utility and design patent applications. Researched and analyzed patents, patent usage, markets, and technology trends for licensing and monetization opportunities.

### ► ThinkFire Services | Senior IP Analyst, 2012 - 2014 | Bridgewater, NJ

Researched and analyzed patents, patent usage, market and technology trends, and created claim charts relating to various technologies to support patent monetization, licensing and acquisition.

### ► TechPats | Senior Patent Analyst, 2006-2012 | Doylestown, PA

Researched and analyzed patents, patent usage, market and technology trends, and created claim charts relating to various technologies to support patent monetization, licensing and acquisition.
