

DANIEL A. WALSH, PH.D.

ASSOCIATE

503.473.0875 | daniel.walsh@klarquist.com

OVERVIEW

Daniel focuses on the preparation and prosecution of domestic and international patent applications within the firm's Life Sciences and Biotechnology practice group. He has expertise in immunology, cancer biology, microbiology, virology, and genetics.

Daniel earned his B.S. in Biology from Indiana University and his Ph.D. in Microbiology, Immunology, and Cancer Biology at the University of Minnesota. His graduate studies focused on the requirements for the formation of tissue resident memory CD8 T cells.

Daniel joined Klarquist in 2021 as a summer associate.
